To Support GoodLife Kids Foundation spin4kids.com

Focus: Bring the Party!

There are just a few short weeks left leading up to *Spin4Kids Plus 2016*, but you still have time to bump up the fun in your plans. We want you to 'Bring the Party' to your event! A few fun ideas you may consider include:

- Offer prizes for best dressed team and/or best team name
- Have hourly draws with donations from local supporters
- Have a theme each hour
- Invite local celebrities to take part in your event
- Invite local business to 'sponsor' a team of kids to ride (ages 12+)
- Keep participants fueled with snacks donated by local supporters
- Bring the work of GoodLife Kids Foundation to life at your event with our PowerPoint presentation. All you need is a laptop, projector, and a screen or a blank wall and you are ready to go! (PPT presentation will be available on the Connect by Feb 22nd.)
- Recruit a volunteer photographer to capture participants in action and/or having fun with the *Spin4Kids Plus* Social Media Photo Frame (that will arrive with your event day materials).

If you have any great ideas for how to 'Bring the Party' – we would love to hear them! Email sdiebold@goodlifekids.com and we might just feature them in an upcoming newsletter.

Important Updates & Reminders

New Resources Posted

There are new resources posted for you on the [Event Portal](#) and [GoodLife Connect](#). These include the official *Spin4Kids Plus* press release for 2016 and PowerPoint slides for event day.

Photos and Videos

We are looking for photos to be used in future promotions for *Spin4Kids Plus* events. Please make sure to capture evidence of all your hard work paying off! We are specifically looking for candid shots of groups and/or individuals enjoying themselves at your event. Great photos have relevant background and show participants in action. Now is a good time to recruit a volunteer photographer if you haven't already!

Please post your photos to [GoodLife Connect](#)>Picture Library>2016>Spin4Kids Plus>Your Event's Folder.

How to distribute shirts to participants when they check in

- Check for qualified Team Captains and All Day Participants and set their shirts aside for them.
- Identify participants with a guaranteed t-shirt as well as qualified Team Captains and All Day Participants receiving technical tops on ALL copies of your participant list that will be used at your check in desk.
- When these participants arrive, ensure they are given the shirt(s) they've requested and earned.
- All other participants will receive sizes and styles on a first come, first served basis.
- Any shirts left over after the event can be kept at the club for member referrals. **DO NOT SHIP THESE BACK TO GOODLIFE KIDS FOUNDATION OR NEW ERA GRAFIX.**

Waivers

Participants who have registered online have already accepted the waiver so there is no need to have them sign one. However, anyone arriving unexpectedly or anyone who has not registered online at www.spin4kids.com **MUST** sign a waiver before participating. The 2016 Event Waiver can be found on the [Event Portal](#) and [GoodLife Connect](#).

Note: Any participants under the age of 18 must have a parent/guardian sign a waiver for them prior to taking part in event activities.

Youth Participation

If you are hosting an activity in-club that includes children the following must take place:

- Notify GoodLife Kids Foundation with details for the activity.
- If the child is under 12 years a parent/guardian must be present with the child at all times while they are in the Club.
- The parent/guardian needs to sign one of our event waivers for the child (available on the [Event Portal](#) and [GoodLife Connect](#)).
- The parent/guardian is responsible for the fundraising component of the activity.
- For younger participants, parents are urged to use their best judgement on whether the activity is appropriate for their child.
