PayPal Monthly Donations - Explained

Organizations using the PayPal Website Payments Pro gateway or those that have PayPal Express checkout enabled, will now have the option to enable PayPal Monthly donations. The option to enable PayPal Monthly payments is available on the Gateway setup page in the admin console.

*Note – In order for an organization to accept monthly payments via PayPal, PayPal reference payments must be enabled in their PayPal account. This can only be done by PayPal. Organizations must contact PayPal to have reference payments enabled.

I Enable PayPal Express Checkout			
If enabled, the option to pay with PayPal within the Artez system will appear on all pages that collect payments. To enable this feature, your organization must set up a PayPal account on <u>www.paypal.com</u> and then enter your credentials below.			
*Note, if you are using the PayPal Website Payments Pro gateway, Express Checkout is automatically enabled.			
The e2rm application will adhere to the Fraud Management Filters (FMF) if setup within your PayPal account (set up on PayPal's site) For more information about FMF click <u>here</u> . For help with retrieving your PayPal credentials, click <u>here</u> .			
Important note: Artez Interactive Inc. does not monitor or maintain the PayPal application.
