

Our team of experienced developers, fundraisers, designers and project managers can help you enhance your campaign and maximise fundraising with a wide variety of services. We can:

EVENTS & DESIGN

Event Builds

- Build, update or customise any Fundraising Pro template to fit your vision

Design

- Implement full event customisation, create and apply a clean-looking design or help with a few select design elements

Content Pages

- Build and design custom microsite/content pages with content, images and/or videos within the Fundraising Pro product

Microsites

- Create a one-of-a-kind microsite with external sign in, leaderboards, thermometers, mobile optimised pages and much more (developed and hosted outside the Fundraising Pro platform)

CUSTOM URLS & EMAILS

Custom URLs

- Help reinforce your brand by applying a Custom URL (domain name) on all your Fundraising Pro templates (includes event and personalised vanity URL redirects)

Custom Sender Email

- Help further reinforce your brand by applying a custom email address masking to the system-generated address

MOBILE APP

- Create a fully-branded mobile app that keeps participants up to date with event news and gives them the tools to be great fundraisers

DATA

Data Imports

- Import registrant and donor information and offline donations in to any Fundraising Pro template

Custom Reports

- Condense, expand, collate and/or summarise your data into a convenient easy-to-use format

frontstream **FUNDRAISING PRO**

asia**pacific** **PROFESSIONAL SERVICES**

EVENT CUSTOM DEVELOPMENT

Custom Development

- Add a custom feature, hide information, change a product feature, apply tracking code, or test out a new idea

Donation Query String

- Pass donation amounts collected on your website through to your Fundraising Pro donation page seamlessly

Suggested Giving Amount Promotion

- Highlight your donation amounts at the top of the donation and mobile donation pages to encourage your donors to give more

Fundraising Badges

- Design and implement custom fundraising badges to recognise milestones on fundraising pages

Custom Thermometer

- Create, design and implement a unique thermometer that wows your fundraisers and donors

CUSTOM FORMS

Custom Tax Receipts

- Upload your branded tax receipt and pre-populate with your donors' information

Custom Pledge Forms

- Upload your event-branded pledge form and pre-populate with your registrants' personal information

TRAINING & SUPPORT

Enhanced Training and Support

- Provide any type of customised training or support to give your team a head start
