

As part of our commitment to continuously update and enhance our Fundraising system, we have recently made the following enhancements to the Artez Platform.

No Additional Features were added to the Application in this release.

### Minor Enhancements & Bug Fixes

Minor Enhancement	<p>Updated Official CDN Tax Receipt URL The URL is only updated if you update your tax receipt template. <b>(TO HAVE THE UPDATED URLS YOU MUST NAVIGATE TO YOUR TAX RECEIPT TEMPLATE AND SAVE IT AGAIN)</b> New URLs: English: <a href="http://www.canada.ca/en/services/taxes/charities.html">www.canada.ca/en/services/taxes/charities.html</a> French: <a href="http://www.canada.ca/fr/services/impots/bienfaisance.html">www.canada.ca/fr/services/impots/bienfaisance.html</a></p>
Minor Enhancement	<p>We have removed the following Email Types in the Dashboard due to the Dashboard not pulling the email's information: (They reported nothing)</p> <ul style="list-style-type: none"> <li>• Admin Notification - Order Confirmation</li> <li>• Admin Notification - New Monthly Plan</li> <li>• Admin Notification - New Registrant</li> <li>• Admin Notification - New Team Registered</li> <li>• Admin Notification - New Sponsor</li> <li>• Get Sponsors</li> <li>• Tell-A-Friend</li> <li>• Recruit Team Members</li> </ul>
Bug	Resolved an Issue where Saved Get Sponsor Emails were not showing the correct email data.
Bug	Resolved an Issue where users were experiencing errors on the Admin Console Login Page when it loaded.
Bug	Resolved an issue where the %DonationDate% Keyword was pulling no information in Monthly Tax Receipt Emails.
Bug	<p>Resolved an Issue where Mobile Registration was directing registrants to a login page even when Returning Registration was disabled in the Event Settings. With the following settings <b>disabled</b> in Event Settings you will no longer see a Login Option during Mobile Registration:</p> <ul style="list-style-type: none"> <li>• Enable Account Verification for New Registrants</li> <li>• Enable Account Verification for Team Members</li> </ul>
Bug	<p>Resolved an issue in Social Networking Settings where the Event Home Page would not share information even if the "Welcome Page" was selected in the Add This Settings. <i>Admin Console // Event // Widgets // Social Network Settings // Add This Settings // What page(s) would you like this displayed on?</i></p>
Bug	Resolved an issue where the "Registered By" Custom Column on the Registration Detail Report was appearing Blank. This no longer happens if the registrant was registered by someone else (Proxy Registrant)
Big	Resolved an Issue where the Single Page Tribute Template was displaying Required EFT fields when a payment was Cancelled or Failed.
