Page Message

Add a personal touch to your fundraising page with a message - this will help motivate your friends to give generously!

I want to give hope to nearly half a million babies born too soon each year.

I am participating in Spirit of Giving Campaign to support programs that help moms have healthy, full-term pregnancies and fund research to find answers to the problems that threaten our babies.

By making a donation, you can help the March of Dimes help more moms have full-term pregnancies and healthy babies. Thanks for your support!
