Each member is strongly encouraged to purchase a Memorial Bracelet with the name of an officer who died in the Line of Duty! It is an unfortunate fact that on average of 151 law enforcement officers who die in the line of duty annually. Since the Police Unity Tour has grown to over 2800 participants annually it is important that we not only honor those from the preceding year but we never forget and honor those who made the ultimate sacrifice long before the Police Unity Tour started the Memorial Bracelet Program.

Please take a few minutes do some research on historical line of duty deaths on the National Law Enforcement Officers Memorial website; <http://www.nleomf.org/officers/search/> and honor one of these fallen heroes.

Once you have chosen a fallen officer it is your responsibility to contact the fallen officer's department to inform them about the Police Unity Tour and request assistance in making arrangements to meet the officer's family and/or department members at the Memorial and present the bracelet to them. If they are unable to meet you, the bracelet should be sent to them upon completion of the Tour.
